

Yesterday

- Decided on sprint backlog (4 us)
- Decided on 4 user stories for this sprint.
- Selected team velocity of 30
- Might want a written version of the sprint backlog (actionable plan)

Today (9 am start)

- We will do an actionable plan for today's sprint.
- Start on user stories, e.g. start on

• We have access to server
from mohammedu.

• We just did sprint goal
